WELCOME TO THE TJOGEL SYMPOSIUM!

On behalf of The Texas Journal of Oil, Gas, and Energy Law, I am delighted to welcome you to the 12th annual TJOGEL Symposium. TJOGEL is the largest student-edited publication in the United States focusing exclusively on energy law. We would be honored for you to join us for our annual Symposium at the Etter-Harbin Alumni Center, located in the heart of the University of Texas at Austin, and we are thrilled to be hosting many distinguished speakers on a variety of topics in the areas of oil, gas, and energy law.

We would like to thank all of our sponsors, speakers, and students for contributing so much to make this conference a success. TJOGEL, as well as the Symposium, would not be possible without those who dedicate their time and resources to the continued benefit and improvement of the Journal.

We hope you are enjoying the new year, and we look forward to seeing you in February. Hook 'em!

Sincerely,

Wilson B. Albright,
Editor in Chief, Texas Journal of Oil, Gas, and Energy Law
